Cambrian Park Hears Plan For Annexation

Whether to be annexed, to be incorporated as a municipality or remain as a rural tax unit of Santa Clara County is to be a matter for future consideration in Cambrian Park according to a detailed report submitted in part on Tuesday evening at a meeting of the Cambrian Park Improvement Association held in the Union School auditorium by Dr. Edward F. Shaw, an economist from San Jose State College. He is a resident of Cambrian Park.

Shaw said he will make two more reports at future dates on the issue and that they will concern advantages and disadvantages of:

1. Annexation to either Campbell, Los Gatos or San Jose.
2. Incorporation as a city of the sixth class, or
3. Remaining as an urban tax unit of Santa Clara County.

In his report Tuesday, Shaw was of the opinion that incorporation should be ruled out because of excessive costs.

He said adjoining cities would welcome a community the size of Cambrian Park area to bolster its prestige from increased size, and to increase its political power in the state government.

Cambrian Park, he pointed out, is a community of single family dwellings for the most part. The only major economic enterprise is the shopping center plaza.

In question and answer form, Shaw brought out that annexation would give the community a voice in its own government, would provide systematic zoning and building planning, would provide more and better community services such as fire, police and health and safety services, and better storm drains, and sewage facilities.

Shaw then outlined for the gathering the steps that would have to be taken if residents wish to annex to one of the neighboring cities.

The second part of the report to be given at the next meeting of the CPIA will deal with a statistical survey on population, at present and future indications, aspects of police, fire, water, county vs city planning, building, zoning, health, recreation, sewage, library, scavenger, road maintenance, street lights, animal control and other aspects of community government. Also to be included in the next report, Shaw said at Tuesday's meeting will be an analyses of the services and the approximate cost of annexing to one of the various cities surrounding the area.

County Planners Act On Local Property Changes

At the regular meeting of the County of Santa Clara Planning Commission yesterday, Ernest and Gulietma Barbano petitioned for a reclassification of their property located at the southeasterly corner of the intersection of Campbell and Barbano avenues. The Barbano's requested a C-2 zoning or any other the Planning Commission recommended for the property presently zoned R-2H.

Also heard at yesterdays meeting was the public hearing on the application of John C. Strobel for an adjustment to permit a parcel of land to be divided into two lots, each havaing a smaller foot area than required by the provisions of the County Zoning Ordinance. Strobel's property is located at the intersections of Erin Way and Shamrock Drive.

Also continued at the Planning Commission meeting was the public hearing on the petition of George W. Williams Co. to reclassify property from R-1A:B-D and R-1:B-1 zone, to another classification. The property is located on the southwest side of Camden avenue between Charmeran avenue and Gunston Way.

New business on the County Planning Commission agenda included action on the proposed street names changes. Commission was to act on changing the name of South San Tomas to Hacienda and to decide on new names for Hacienda, Santomas Aquino, Allendale and Phillips to Allendale avenue.

BANK OF AMERICA PLANS

The Bank of America plans a $250,000 new building on San Carlos avenue between second and third streets, San Jose for its San Fernando street branch, it was announced yesterday.

FIRST SERVICE CLUB FORMED IN CAMBRIAN PARK

First service club activated in the Cambrian Park area, a Kiwanis Club, elected interim officers at a meeting Tuesday noon at the Cambrian Park Methodist Church, corner of Gunston Way and Wyrick avenue.

Interim officers elected until the charter presentation sometime this month, are Carl B. Cunningham, camera shop proprietor, president; Rev. Ernest W. Tremayne, pastor of Cambrian Park Methodist Church, vice-president; James Riley, comptroller for a San Jose trucking firm, secretary-treasurer.

In addition to officers elected, the group chose a temporary board of directors which consists of: Frank M. Rao, supermarket owner; Bernie Dale, Men's clothing proprietor; Manley J. McCullouch, market owner; W. G. Jenkins, variety store owner; Lee Glick, proprietor of a local washette; Dr. Kenton B. Hendirckson, optometrist; and Joseph Tichnor, real estate manager.

Los Gatos Kiwanis Club is the sponsoring organization. The next meeting of the Cambrian Park Kiwanis Club will be held on the 19th or 21st of January at the Cambrian Park Methodist Church. The noon meal will be held at 12:10 p. m. Wednesday at the church.

Cigaret History Told Rotarians At Monday Meet

Fred W. Genz, assistant research director, Philip Morris Ltd., spoke on "The Tobacco and Cigaret Industry" at the regular Rotary meeting Monday. Speaker was introduced by Cel Gerevas, program chairman for the day.

Gentz outlined the history of the tobacco industry in North America and in England. He said that 386 billion cigarettes were sold in the United States during 1953, an unprecedented output since the time Philip Morris started the first cigarette manufacturing plant in England.

Gentz concluded his tak with precautions in the use of cigar ettes. He especially mentioned the danger of smoking in bed, and from throwing burning cigarettes from moving automobiles on the highway. "Thousands of lives have been lost annually and untold damage done to homes and property through the careless use of cigarettes", he said.

Next week's program will include the Pacific Gas and Electric Company's color motion picture film, "Sierra Fish and Game" recently shown at Campbell Kiwanis Club.

Local Republicans To Elect Officers

Officers of the Campbell Republican Assembly for 1954 will be elected at the next meeting of the assembly, Robert Free, chairman of the Santa Clara County Republican Central Committee said. This meeting will be held next Wednesday evening, January 13 at 8 p. m. in the Cafetorium of the Campbell Grammar School.

Free will address the group following the business meeting. The public is cordially invited to atten and refreshments will be served, he said.

ARTHUR BROWN IS ELECTED CHAIRMAN FOR SUPERVISORS

Arthur W. Brown of Gilroy is the new chairman of the Santa Clara County Board of Supervisors, succeeding Joseph McKinnon of the Fourth District. Brown has been a member of the board since 1942 and has been engaged in the real estate business.

City Stymied Over Sewer Line Cost

Ordinance To Regulate Sewer Connection Rates Proposed

Until such time as the city can adopt an ordinance controlling connections from outside properties with the city sewer lines, no permit for such connection will be issued; no such ordinance will be prepared until an agreement as to overall cost to the city is prepared and signed with Sanitation District No. 4, and no such agreement can be completed until the county informs the Sanitation district what the prorata cost is to be for its use of the sewage disposal plant. That was the action taken Monday night as the city council considered the application of Lewis E. Smith, who wishes to subdivide Shady Acres Unit No. 4 and connect the tract with the Hamilton avenue trunkline.

Mayor Richard Morton indicated however that the council will not close its mind to the problem if the subdivider has a feasible plan. Stephen Goodman, manager for the Sanitation district said that while he thought the district should have sewer connection, he appreciated the restrictive position of the city in wanting to be fully protected by ordinance.

City Attorney Joseph Bonacino reported how Los Gatos and Sunnyvale handle outside connections, the former charging $10 for inside connections and $100 for outside connection, realizing twenty per cent defaults which are cleared through small claim courts, while the latter calls for an unrecorded lien on property proposed for outside connection. Council concurred that any arrangement for outside connections would be fair and congenial as sewer service is to be a non-profit operation.

A letter from Douglas Monchamp, building inspector reported new construction at the Star Nursing Home on Winchester avenue, allegedly without a permit. As the home is under state regulation Council will seek inspection by the fire marshall, police chief and state department of public health.

City Engineer Mark Thomas reported a variation of curved and vertical curbs in vicinity of First and Latimer avenues and council wants to restrict curved curbs in future developments there. Thomas reported also that a manhole cover had been stolen from a street near the creek and that a temporary cover had been set up until a replacement arrives.

Properties recently annexed will not be effected by the Central fire district set up according to a letter to the city attorney from the County assessors' office.

Because of the holidays, no report was available regarding the interchange at Hamilton avenue with the new Freeway in which the city wants a four lane frontage road to the avenue so as to avoid a potentially dangerous left turn, also a span wide enough for four lanes over Campbell avenue.

The city attorney reported notice of completion had been filed on Kuenis Estate and that no claims have been filed to date. Council declined to release the bond until one year period for claim filing expires.

City Treasurer E. C. Merrill reported a balance of $47,374.24 on hand as of December 31, of which sum $16,22.88 is in the general fund, $4,048.13 in the Fines and forfeitures fund, $10,759.01 in the gas tax fund, $11,459.78 in the motor vehicle fund, $536.50 in the employee trust fund and $3,645.94 in the bond and trust fund.

New Cherry Lane School Enrolls 325

Campbell area school children trooped back to school Monday to start the Winter season after the Christmas vacation of from ten days to two weeks. Most schools closed on Friday, December 18 for the holidays.

In Campbell the only change in the school situation was the opening of the Cherry Lane School on Budd avenue, where 325 pupils moved into new classrooms.

The Cherry Lane school staff had been operating as a complete administrative unit in the Campbell Grammar School while awaiting completion of the new school

Until the multi-use room of the new school is finally completed, Mrs. Ann Meridier, Cherry Lane school principal said the children would have to bring lunches or return home for the noon meal.

Terms Of Office For Council Members To Be Voted Upon

Terms of office for members of the Campbell City Council will be established as a result of the vote to be cast at the municipal election on April 13, the two candidates receiving the highest number of votes to take office for four years while the next three candidates will serve two years. Thereafter all terms will be for four years. The terms of all five incumbent councilmen as well as those of the city clerk and city treasurer will expire in April. This is according to a report to the council Monday by City Attorney Joseph A. Bonacino who added that residence within the city limits is one of the qualifying requisites for elective office.

Filing dates for those seeking office is February 13 to March 4.

Last date for registration will be February 18 at the fire house. Following the canvas of ballots and induction of the newly elected council in April, the board is to organize by selecting one of its members as chairman who then will serve as mayor. Both the city clerk and city treasurer offices will be for four year terms in the April election.

The Council, elected in March, 1952, when the city was incorporated were to be considered only as an organizational body with all terms limited to two years, according to rules set up by the California League of Municipalities.

In the election of March 11, 1952 when 1319 ballots were cast on the incorporation issue, those elected were Richard Morton, Joseph Arends, J. M. Dahl, Joseph Gomes and Dr. J. F. Snyder as councilmen, E. C. Merrill as treasurer and Mrs. Viola Krug as city clerk. Dr. Snyder later resigned because of residence change. and Oliver Jensen was appointed as succesor. Dorothy Trevethan was appointed to succeed Mrs. Krug, resigned, as city clerk. There were three polling places for the 1952 election.

Today there are 13 precincts and 2527 registered voters. The council will determine combination of precincts for setting up the number of polling places. The city clerk was authorized Monday to procure the necessary supplies for the forthcoming election.

Mayor Morton said Monday a goodly number of candidates for office would be welcomed.

Mrs. Baughman Is Deputy Clerk For Campbell

City of Campbell has a new deputy city clerk, Mrs. Opal Baughman, who lives with her husband, Don, a local contractor at 101 North First Street. Mrs. Baughman replaces Miss Evelyn Scott, who resigned last week, to accept a position in Santa Cruz with General Foods.

Mrs. Baughman was financial secretary for the Campbell Congregational Church before she came to work for the city.

During World War II, Mrs. Baughman was in the U. S. Navy, stationed at the Washington Bureau of Aeronautics. Her recruit training was taken at Hunters College, New York. She also attended a service school at Oklahoma A&M. Before entering the service, she worked with the U. S. Army at McClellan Air Force Base in Sacramento.

The Baughmans have a seven year old daughter, Patricia, who attends Hamilton School.

Local Police Nip Teen-Age Robbery Attempt

Campbell Police nipped a teenage robbery attempt in the bud New Year's night. Campbell officer Louis Doolittle and auxiliary Don Locke, spotted two juveniles, one 15 and the other 16 years old, about to enter the back of Wirth's garage, 13 Winchester road.

When searched and questioned, one of the boys was found to have a bayonet cut down to knift size in his possession. The youths had broken down the back door of the garage and were about to enter when the police car hove into view. Nothing had been taken.

The boys were taken into custody by the local police, and referred to the probation officer.

BURBANK SCHOOL HEAD IN SUPERVISOR RACE

Ralph O. Salmon, Burbank School district superintendent, tossed in his sombrero as candidate for supervisor from District 4 this week along with the candidacy by the incumbent, Joseph McKinnon and by Parker Hathaway. Salmon is 54 and has been associated with the Burbank school for 26 years.

Three new teachers, all December graduates of San Jose State College, joined the Moorpark faculty recently. New members are: Miss Laura Lee Willson, Mrs. Mary Ellen Braun, and Mrs. Marie Gromo.

ANOTHER MURDER AT CUPERTINO REPORTED

Russell Durfee, 42, unemployed musician confessed Tuesday to having killed his mother, Mrs. Oscar Norton, at her home in Cupertino. This is the second murder in the Cupertino area within a week, as last Wednesday night Joe Edwards killed his three year old daughter in a beating at home then committed suicide by driving his car against a train near Sunnyvale.

EVERYDAY BEAUTY IS MOORPARK PTA TOPIC

Moorpark School PTA meeting will be held on January 12th at 2:30 P. M. in the school cafetorium. Mr. Nick Thomas will discuss "Everyday Beauty".

MADE IT . . . Members of the Campbell chapter Eta Phi gave a turkey away recently but made enough profit from sale of tickets to send a boy to Youth in Government conference at Sacramento next Fall. Coach Miskulin is local advisor, and winners of the turkey were Mr. and Mrs. Richard Bradford of Carlyn avenue. Officer Tom Casey conducted the drawing and was main speaker on subject of police schooling. Members of Eta Phi shown above, left to right, top row: Bob Sutton, Russ Camilleri, Gary Lukehart, Tony Schraub, Officer Casey, William Sutterfield, and Ken Beth; front row, William Montero, Bob Redlick, and Jerry Cathay. The meeting was at the Bob Balzer home.

NEW FEATURES PLANNED FOR OLD SETTLERS' DAY

Old Settelsrs' Day in Campbell will have new features in the four day celebration, February 19-22, according to plans made Monday evening when committeemen met at Campbell High School with Laurance J.Hill , general chairman, presiding. A community project, the affair is being spearheaded this year by the Kiwanis Club. The events for the four day celebration will include:

1. A whiskerino contest under chairman ship of Martin S. Walsh, local attorney-at-law.
2. Stage production, "Under the Gaslights" by the Footlighters.
3. Final league basketball game, Campbell vs. Los Gatos High School; interclub baseball game and other sport events.
4. Religious observances by local churches.
5. Speeches and presentation of the speaker of the day.
6. The traditional parade, which in past years has drawn entries from all parts of the state.

This will be the sixty-second consecutive year for Old Timers' Day in Campbell, and is exceeded in period of continuity only by the Pasadena Tournament of Roses.

Events will be run off as follows: Friday, February 19 will feature the league basketball game and a public dance; Saturday, the Campbell Footlighters will perform; Sunday will be reserved for religious observance of Old Settlers' Day in area churches, and Monday, Washington's birthday, will conclude activities with registration of old settlers, afternoon sporting events, a carnival, parade and speaking events.

Hill said at the meting Monday night, that the regularly scheduled basketball game between CUHS and Los Gatos High School could not be postponed, even though the Old Settlers' Day public dance had been scheduled for the same evening at the same location.

Committeemen suggested that the game-dance combination would make for a greater attraction and would draw larger crowds. Kenneth Robison, chairman, said arrangements for a six-piece orchestra are being negotiated. Tickets to the dance will sell for seventy-five cents. Basketball game tickets also sell for seventy-five cents.

Dean Chamberlin, director of the Footlighters production said it was coming along nicely, but that he was in need of short acts to present during scenery chanages. The Campbell Kiwanis quartet consisting of C. P. Klassen, Herb Neale, Lloyd Nelson and Howard Guilbert, had agreed to participate.

To promote ticket sales to the Footlighter play, committeemen agreed to conduct a king and queen contest, from both the grammar and High School. William C. Henley, and Wayne Fontes were appointed co-chairmen to implement this phase of the OSD program.

Hill appointed Rev. Herbert W. Neale an OSD committee chairman to ask cooperation from area churches to participate in religious observance of the communities' biggest holiday.

Climax of the four-day celebration will fall on February 22, traditional day of the 62 year-old festivities. The day has been tentatively planned to be jam-packed with activities to suit every taste, from exuberant youngster, to reminiscent old timer.

The morning will be taken up with registration of old settlers, under the chairmanship of Herb Shadle, and Mark Purmort. Following the speech making, the parade, under the direction of Postmaster Ira Grim, will follow its traditional route along Campbell avenue, site of the original driveway of Ben Campbell's ranch.

Grim said he expects the United States Marine Band from Treasure Island, and a detachment of U. S. Marines in full dress uniform, as well as the 12th Naval District District Band to again be participants. The best horseflesh in Santa Clara County will be represented, Grim promised, and there will be the usual floats of all sizes, shapes, sponsored by Valley civic, social, fraternal, and commercial organizations. Grim said he is presently working on a theme for this year's parade, and getting entry blanks ready to mail to potential participants.

Grim suggested at the meeting that for this year's parade the reviewing stand be placed in front of the High School rather than at the Grammar School as in the past.

Judging should be done before the parade starts, when floats are

CONGRESSIONAL REDISTRICTING IN 1960

Santa Clara County is already entitled to be set up as a single Congressional district, based on the 372,500 population estimate. There will be nothing done about it, however, until after the next federal census in 1960 when, likely as not, the population of the county will have increased to 500,000. Following the 1940 census, Monterey County was taken from Congressional district No. 8; then in 1950, San Mateo County became District 9, and Santa Clara, Santa Cruz and San Benito became District 10. The required figure for re-districting may change in proportion to the state population. But we have at least six years before it will be time to make those calculations, and much can happen in that period of time.

THE GOVERNOR AND THE MANSION

Something new by way of a reception was introduced at Sacramento last week-end by Governor Goodwin Knight when the stately old mansion that had been the home of governors there for some forty years, was thrown open for public inspection.

The governor himself was at the door to greet visitors who arrived from many points.

"Just make yourself at home because it is your house," he said repeatedly.

After an hour or so of greetings, one lady remarked that the Governor's hand was warm and he commented that it was probably so because he was shaking hands with so many warm-hearted people.

Visitors saw high, painted ceilings, numerous marble fireplaces, soft rugs, carved brass door knobs and hinges and fancy chandeliers all reminiscent of early century taste.

It was chivalrous on the part of the Knight in the mansion for he proved as gracious as his name indicates he might be. After all, the mansion does belong to the people and the Governor is but a servant of the people, and Goodwin Knight apparently does not want the public to think otherwise of his home or of his services.

NEW OPPORTUNITIES

There is little wrong with the American economic picture which the vigorous development of new opportunities cannot cure.

Ten years ago the television industry was virtually non-existent. Today it accounts for billions in the Nation's business. Ten years ago, trailer courts were largely haphazard, shoddy affairs, hangovers from the "Grapes-of-Wrath" era of the 30's. Today the trailer court industry is another fast-growing, billion-dollar business that is dotting the country with beautiful trailer "parks." Ten years ago the possibilities in the field of synthetics had hardly been tapped. Today the production of synthetics is gigantic and still growing.

But such developments do not narrow the field of opportunity; on the contrary, they enlarge it. In the field of household equipment, for example, an economist of the State's largest bank points out that only one percent of American homes have air conditioners. He predicts that before long air conditioning will be regarded as just as necessary as central heating. Obviously, when this comes about the production of air equipment will increase many fold.

In electronics, in atomic energy, and in many other fields, new opportunities will be constantly presenting themselves. By making the most of these opportunities — and that's what we usually do — there is no reason why the American economy should not continue to expand and thrive.

If you have the itch to succeed you probably will not hesitate to start from scratch.

A teacher in San Francisco says it is easier to handle a backward child than a forward parent.

TROOPS WITHDRAW IN POWER SHIFT

President Eisenhower plans to withdraw some 36,000 troops from Korea, but contends that our national air force has the mobility and striking force to meet an emergency. Seems that we must rely on air strength rather than ground strength. It wasn't many years ago when the same problem came up of ground strength being more important than sea power. Removal of troops concerns the South Koreans, but in reality it is a shift rather than a reduction of strength over there, and in this Ike knows what he is doing.

AN AGELESS PRAYER

Here is an age-old prayer that rings just as true for America today as it did many years ago when it was first written:

"Lord, make me an instrument of Thy Peace!
Where there is hatred . . . let me sow love
Where there is injury . . . pardon
Where there is doubt . . . faith
Where there is despair . . . hope
Where there is sadness . . . joy!
O Divine Master, grant that I may not so much seek
To be consoled . . . as to console
To be understood . . . as to understand
To be loved . . . as to love, for
It is in giving . . . that we receive
It is in pardoning . . . that we are pardoned
It is in dying . . . that we are born to eternal life."

—A Prayer by St. Francis of Assisi.

Profile of The Week

This column attempts to acquaint Campbell residents with the background of most of its leading citizens, to make for a greater interest in the activities of the Campbell area.

Pictures from the files of the Campbell Press will be drawn, by lot, for the first of the articles. When this supply is exhausted, pictures of newer residents will be taken, to run in conjunction with stories.

Dean R. Chamberlin, freshman counselor at Campbell Union High School, and well-known in Campbell for his production and direction of Campbell "Footlighter" plays, is presently active as a member of the Old Settlers' Day committee, Chamberlin is directing

DEAN R. CHAMBERLIN

this year's Footlighter presentation, "Under the Gaslights" to be given in the Campbell High School auditorium, February 20, as part of the Old Settlers' Day program.

Chamberlin, married, lives with his wife, Vera, at 116 E. Campbell avenue, and two sons, Donald, 8, and James, 3. His parents, Mr. and Mrs. H. R. Chamberlin, live in Chico, where Chamberlin graduated from High School in 1933 and Chico State College in 1938.

In 1939 he obtained his general secondary teaching credentials at the University of California at Berkeley. He was a teacher at Campbell Union High School until his recall to active military service in August, 1950.

During his recent military tour of duty, Captain Chamberlin was director of training for the 28th Air Division (Defense) which had headquarters at Hamilton Air Force Base. The division was charged with defense of Northern California and Western Nevada.

He first entered military service in 1942 and served in New Guinea, the Philippines, and Japan. He is entitled to wear the Bronze Star with one cluster. He is past master of Campbell's Charity Lodge F&AM, and of the educational honor society, Phi Delta Kappa.

The Campbell Union High School was established in 1900. In 1903 a new plant was constructed. 1922 it expanded to taking over the second grammar school school building as an annex.

The Campbell Gambol

A PRIMITIVE two-cylinder automobile piled high with mail bags chugged away from the Campbell postoffice on July 5, 1904 to become the first motor vehicle used in the rural delivery service in the United States . . . . some eight years before that when the automobile was an entirely new mode of transportation, one of them was used to deliver the mail as an experiment . . . horses were frightened and small boys walked or ran along side the vehicle making derisive remarks never believing that it would replace the buggy and faithful horse that knew all the stops along the way . . . Ellis W. Preston drove the car in 1904 but he had to first get permission from the postal authorities to use the vehicle, which permission was granted only after a one week's trial proving that an hour could be saved daily by its use . . . on good roads the machine he officially reported, could attain a speed of 18 miles per hour . . . when rural mail delivery was first introduced in Campbell back in 1896 the delivery was from two wheel horse-drawn carts, the only vehicles which could negotiate the muddy roads . . . first rural route came to Campbell as the result of an appropriation bill introduced in United States Congress by Representative E. A. Hayes . . . the trial run was to have been made in West Virginia but Congressman Hayes had provision set up for a simultaneous test run in California, on October 1, 1896 . . . it served the floor of the Santa Clara Valley late in the Summer of 1896 from the village store postoffice of Postmaster Fred Weitzenberg whose son Will, Charles Townsend and Walter Dowden were the carriers . . . postmastership then passed to A. P. Merrill when Preston got the approval to use an automobile on the route . . Ira Grim, postmaster in Campbell today said the office was established in 1885 and that Benjamin Campbell, the founder of the town, was its first postmaster from his residence on Campbell avenue . . . he was succeeded by Charles Berry, S. P. station agent who moved the office to a box car later to be moved back to the present site of the Carl Field Store by Charles Willett . . .from Weitzenberg and Merrill the postmastership passed to D. H. Coats, Mrs. Maude Waite, Mrs. Lottie Miracle, Harry Smith and Ira Grim. The postoffice moved to the old bank building then to its present site in June 1947.

CAMPBELL HIGH School baseball fans will have a treat in store when the season gets under way shortly, as a new scoreboard is to be seen back of left field which will give all the count of balls, strikes, outs and runs, with telephone connection from the grandstand . . . the board was presented to the school by the High School Parent-Teacher Association.

CAR HITS TREE IN CAMPBELL

Only New Year's Day highway accident having to do with the Campbell area, according to California Highway Patrol occurred early Friday morning, on the San Jose-Los Gatos Road near Shelley avenue when a car driven by Charles D. Garabito of Santa Clara crashed into a walnut tree on property belonging to M. Sprague of Rt. 1, Box 165 Campbell. No injuries were reported by the highway patrol.

County Population Is Now 372,000

"Best news for taxpayers in 1953 was the $13,000,000,000 cut in federal appropriations made by the 1953 congress", California Taxpayers' association said today.

For the people of Santa Clara county, the $13,000,000,000 cut in federal spending means $34,900,000 less in present and future federal taxes they will have to pay. For Californians statewide, it means a saavings of more than $1,000,000,000 in federal taxes.

Other "good news" taxpayers during 1953 included:

Aid paid to the needy levelled off, the $751,308 total aid paid in the county for October comparing with the $775,705 for January, 1953. This combines aid to the needy, blind dependent children, and general indigents.

Population of the county increased 28.2 per cent since the April, 1950, census, with January, 1954, population estimated at 372,500 compared with the 290,547 census figure..

Statewide, population is up 15.7 per cent since the 1950 census, the 12,244,290 estimate for California at Jaanuary 1, 1954, showing an increase of 1,650,067 people over the state's census population of 10,586.223.

Taxable valuation of property is at a new high, the county's assessed value for local tax purposes for 1953-54 of $494,335,730 comparing with the $455,291,770 for 1952-53.

TEN MORE MEN NEEDED TO FILL "BEAR COMPANY"

It was announced today that the U. S. Marine Corps' "Golden Bear Platoon" has received so many applications for membership that that the U. S. Marine Corps Recruiting Station in San Francisco had had to change their plans and make it the "Golden Bear Company".

Master Sergeant Leonard L. Gaston, the Noncommissioned Officer in Charge of the local Marine Recruiting Substation in Roor 227 Post Office Bldg., San Jose, Calif., stated today that this will allow him to accept ten more enlistments for membership in the "Golden Bear Company".

This special group of Marines will be sworn into the U. S. Marine Corps in San Francisco, California, on January 15, 1954, at special ceremonies.

The "Golden Bear Company" will leave by special chartered planes for the Marine Corps Recruit Depot, San Diego, California, where they will be trained as a unit for the duration of their recruit training.

AMERICAN TRUST DEPOSITS GAIN IN OLD YEAR

Deposits of American Trust Company on December 21, totaled $1,197,772,363 as compared with $1,170,087,506 for the corresponding date in 1952.

Loans and Discounts totaled $560,093,534, as compared with $528,007,052 on December 31, 1952. Total resources stood at $1,285,291,502.

Net current operating earnings, after provisions for taxes, amounted to $5,512,043 in 1953 as compared with $4,874,173 in 1952. For the year 1953 net current operating earnings were equivalent to $2:75 per share on the 2,000,000 shares ($10 par) outstanding at the year end. This compares with 1952 earnings of $4.95 per share on 984,353 shares ($20 par) outstanding on December 31, 1952, or an equivalent of $2.44 per share on the present capitalization.

After non-recurring items and transfers to valuation reserves, net profits in 1953 amounted to $5,110,818 as compared with $4,237,664 for 1952. Dividends of $2,800,000 were declared during 1953. Capital funds were increased by $2,310,818 from retained earnings and $946,643 from the sale of 31,294 shares of additional stock in February, 1953. Capital, surplus and undivided profits on December 31, 1953 totaled $68,381,551.

More than one-third of all the money raised in the 1954 March of Dimes will be used to buy gamma globulin and carry out field trials aimed at testing a trial vaccine against polio.

OLD SETTLERS' DAY PROGRAM OF EVENTS IS OUTLINED IN BRIEF

(Continued from Page One)

in good condition, Grim said. It was also agreed that the various trophies to be awarded be clearly marked beforehand, to avoid confusion as occurred in previous parades.

Throughout the day and continuing well into the evening of the 22nd, Campbell High School will take on a holiday atmosphere as crowds mill around the carnival booths.

This will be a function of the Kiwanis Club and the Campbell Chamber of Commerce, OSD officials said Monday night. Booths will be erected by CUHS shop instructor, Bob Culp and his assistants, along the covered passageway near the cafeteria on the high school grounds.

Additional booths, if needed, it was suggested, may be borrowed from Cambrian school.

Booths are to rent for $10.00 with concessionaires getting 90 per cent of gross receipts and the sponsoring organization netting 10 per cent. Rental fee, it was brought out, included use of the booth with its required lighting, counters, and other necessary accessories.

Carnival booths will include games of skill such as darts, throwing jing pong balls into fishbowls and games of similar nature, it was agreed, rather than games of chance.

It was also suggested at the meting, thaat a door prize be awarded possibly to the holder of a winning ticket to an old-time movie.

Ethan Lanphear, chairman, said the Kiwanis Club will have charge of all foodsales.

This will include, he said, hot dog stands along Campbell avenue, at the carnival and wherever else food will be sold.

This year's Old Settlers' Day committee intends to make the 1954 celebration the best in local history and one of the best in the state. To this end, they appointed Norm Corvello, publicity chairman, and at the meeting Monday suggestions came thick and fast as to the best manner to publicize the event.

If the suggestions are carried out, double searchlights will stab the sky from the carnival location; loudspeakers will cruise Campbell streets announcing events; everybody, but everybody, will wear hand painted Old Settlers' Day neckties; male chins will sporut whiskers; county newspapers will carry stories with pictures. Even San Francisco newspapers, radio and other news media will be contacted. Local automobiles will bear OSD bumper strips or windshield stickers; a printed program will be circulated; leaflets will be dropped from airplanes, and there may even be a blimp hovering in the sky over Campbell bearing Old Settlers' Day announcements.

Those present at the initial meeting Monday night were: Laurance J. Hill, Norm Corvello, Joseph V. Gomes, Ira H. Grim, Dean Chamberlin, Ken Robison, C. P. Klassen, Bob Culp, George Kemp, Ethan Lanphear, Budd Levenberg, Henry Jewell, Herb Shadle, Mark Purmort, Milt Nelson.

OSD STRATEGISTS . . . grouped around the table in the office of Laurance J. Hill, members of the Old Settlers' Day Committee discuss plans for the coming celebration February 19-22. Left to right, Norm Corvello, publicity; Joseph V. Gomes, afternoon program; Ira H. Grim, parade; Dean Chamberlin, Footlighter play; General chairman, Laurance J. Hill; Herb Shadle, registration of old settlers; C. P. Klassen, carnival; George Kemp, assisttant to Hill; Ethan Lanphear, food sales; Budd Levenberg, evening program; and Henry Jewell, central committee.

VFW AND AUX. HEAR REPORTS ON YULE DEEDS

At the last meeting of the Campbell Post, Veterans of Foreign Wars, reports were given on Christmas food, toy and clothing distribution to needy families in the area, Mrs. Russell Sargent, president said.

Fourteen members also attended the Christmas party at Agnew State Hospital, a regular function of the Campbell post.

Coming events of the local post as announced by a club spokesman include: a whist party to be given by the VFW auxiliary will take place February 26 in the Library hall. The Stitchers will meet at the home of Mrs. E. Lanphear, Tuesday January 12 for a pot luck to speed work on hand made prizes.

The next meeting of the post, January 19, will be the Past commanders and past president night. Edith Smith will be chairman of refreshments. After the last meeting the post and auxiliary joined each other and enjoyed refreshments.

New Standard For Walnuts Proposed

The United States Department of Agriculture has asked that walnut growers throughout the country comment on a proposed new set of standards for shelled English walnuts.

According to the department, the proposed standards were developed at the request of the walnut industry through the Walnut Control board. Proposed changes include:

1. Reduction of the number of grades from three to two. They will be "U.S. No. 1" and "U.S. Commercial".

2. Separation of color requirements from other standards. Any one of four color classifications may be specified in connection with grade.

3. Increase in the number of size classifications to four by addition of a "small pieces" category.

Growers are asked to send comments on the grading changes to Fruit & Vegetable division, Agriculture Marketing Service, USDA, Washington 2, D. C., before January 17.

The Voice Needed Most

The increased attention being given to new translations of the Bible by Protestant and Catholic alike has caused the American Bible Society to sponsor again between Thanksgiving and Christmas a worldwide reading of the greatest passages of the Bible.

It is expected that these 29 selections will be read, one a day, by millions of people in not less than 38 countries. The President of the United States is honorary chairman of a committee of distinguished laymen supporting the movement. In his endorsement of the plan the President has said:

"In these troubled times, the truths which the Bible teaches are of greater and greater importance to mankind. They are the only final answer to the forces of organized hate which now threaten the civilized world.

"I hope that the Worldwide Bible Reading program this year will be widely observed, and that more Americans than ever will take advantage of it. Whatever translations or revisions the Bible may go through, it will always remain the same great Book bearing God's message to man."

SERVICE NOTES

WASHINGTON, D.C. (FHTNC) ---The Bureau of Naval Personnel has announced that it is an advancement in rating for Melvin R. Blue, son of Mr. and Mrs. J. M. Blue of 789 White Oaks rd., Campbell, Calif., to gunners mate third class, USN, while serving aboard the heavy USS St. Paul.

The advancement came as a result of a world-wide competitive written test which consisted of questions testing military and professional skills.

To be eligible for the written quiz, Naval personnel had to exhibit proficiency in the on-the-job phases of their ratings.

25TH DIV., KOREA—Army Pvt. Gary S. Margason, 21, son of Mr. and Mrs. Ben Maargason, 13659 Saratoga Vista ave., Saratoga, recently graduated with honor from the Radio Operator School of the 25th Infantry Division's 25th Signal Company in Korea.

The eight-week course offers instruction in Morse code, radio voice and telegraph procedures, radio record keeping and the field operation and repair of equipment.

Private Margarson, who will serve with the 27th Regimental Headquarters, arrived overseas in September from Camp Roberts. He attended San Jose State College before entering the Army in November 1952.

CAMP CARSON, COLO.—Army Pvt. Sam Lupo, whose wife, Betty, lives at 349 Dallas dr., Campbell, recently completed the scout dog handlers course at the Army Dog Training Center, Camp Carson, Colo.

Private Lupo spent 12 weeks teaching two partially trained German Shepherd dogs basic discipline, obedience to commands and advanced techniques of scouting. The better of the two dogs has been permanently assigned to Lupo and will accompany him in future Army duty.

Similar handler-dog teams saved many lives during the Korean conflict when the highly sensed scout dogs warned UN patrols of unseen dangers.

Lupo, son of Mr. and Mrs. John Lupo, 553 Patton, San Jose, Calif., entered the Army last March and completed basic training at Fort Ord, Calif.

Hideo Takata, 19, son of Masakichi Takata, of 950 Dry Creek Road, Campbell, is completing basic Air Force Training at Lackland Air Force Base, Texas. The training is preparing him for assignment to specialized work.

Buc Cagers Win Over SJHS 40-31

Buccaneer cagers wound up their pre-league season with a double victory over San Jose High School Tuesday afternoon in the Buc gym. All-SCVAL center Tom Hansen and crafty guard Tony Schraub led the varsity to a 40-31 victory over a scrappy Bulldog quint. Ron Arnaud swished 14 points to lead the Campbell lightweights to a 34-26 win.

The Campbell cagers kept up a steady lead through most of the game until early in the fourth quarter when the Bulldogs crept up to a 28-28 tie. A closing rally with Hansen, Schraub, and Ken Beth leading the Buc scorers, enabled the Bucs to pick up their lead and go on to win.

Ben Gonzales topped the Bulldog varsity scorers with 10 points, while Jim Howard was high with 11 for the San Jose lightweights.

BUCCANEERS TAKE ON FREMONT IN LEAGUE OPENER TOMORROW NIGHT AT SUNNYVALE GYMNASIUM

Campbell High School teams open the 1954 SCVAL basketball campaign tomorrow night in Sunnyvale, facing the tough Fremont Quintets in an initial attempt to defend their champiaonship. Coach Robinson has hopes of his Buccanneers carrying off the laurels again.

The Bucs took the title last year in a whirlwind finish with a 49-40 win over the Fremont Indians here.

Sparked by all-league center Tom Hansen and All-SCVAL 130 guard Dick Jordan, the Buc quintet marked up a five win, one loss record in their pre-league slate. Last Saturday the local squad ended their pre-season warmup with a 47-41 victory over Lincoln at the Buc gym. The Lion lightweights won a preliminary tilt, 42-28.

Tom Hansen topped the Buc scorers with 20 points. Center Jim Brazda sank 15 for the losers. Ron Arnaud and Dick Buck collected seven each for Campbell in the lightweight contest.

Robinson will field probably the tallest outfit in the SCVAL league this year in an attempt to cop the valley crown for the second year in a row.

The six-foot three inch Hansen is the mainstay on the backboards, and his understudy, Ron Sparrer, a junior, who can also double as a guard, should be a league terror with more game time under his belt. The boy stands six-foot-six.

Not so tall, but with plenty of basketball savvy upstairs, is Dick Jordan, five-foot-ten, who directs operations from his guard spot. Forward Tony Schraub and six-foot-two inch guard Jon Harris, and Ken Beth, five-foot- eleven guard, will probably make the starting lineup when the Buc five take the floor tomorrow night in the opening SCVAL season, Robinson said.

Reserve strength for the Buc squad is to be found in Gary Hoover and Gilbert Manriquez who have moved up from last year's 130's and Dave Larson from last year's JV's, Bill Gregg and Bill Sutterfield can all be counted on for plenty of game action throughout the season.

Robinson said he felt his team should give a good account of themselves in hte SCVAL battle but points out that there will be a lot of strong teams in the league this year.

Washington, James Lick and Mountain View are rated strong contenders.

Other opening tilts in the league pit Live Oak of Morgan Hill playing at Los Gatos; Mountain View at Santa Clara and Lick at Washington.

Three coaches are new to SCVAL varsity competition. Two of them coached lightweight teams in the past.

Hal Sonntag has moved up from the 130's to replace Fred Canrinus for the Los Gatos Varsity and Dude Angius replaces Larry Fiorini at Mountain View. Dean Giles is the new head coach at Santa Clara, replacing Emil Corbeline.

Entering another year of coaching are Clyde Voorhees at Washington, Marty Mathiesen at Fremont, Leo Murphy at James Lick, Jim Gillespie at Live Oak and Robinson.

District PTA Hears Report On Safety Playground Ideas

The Board of Managers meeting of 6th District California, Congress of Parents & Teachers was held January 4th at San Antonio School in Los Altos.

Vance Lee, School and Child Committee of Santa Clara County chapter of National Safety Council, presented suggested home safety playground projects. Over half reported accidents in recent months in children ages 1-14 have been from falls, cuts and blows, mostly at play at home.

Mrs. Bud Schofield gave a report on the P T A as part in the founding of the Santa Clara County Jr. Museum. Mrs. Bud Schofield was P T A representative on the Jr Museum steering committee. The Jr Museum is now incorporated with Mrs. H. C. Grimes, a state P T A officer, as their secretary. Mrs. Schofield is assisting in their drive for funds.

Mrs. Williaam Lezchuk, president of Mountain View Council, and Mrs. Warren Grass, Founders Day chairman announced plans for the next District Meeting on February 1, at the Jarvis Bishop School in Sunnyvale. All District past presidents will be invited to the Founders Day meeting. Miss Elizabeth Kasey from the Health Department will present " Sixth District's Resources Toward Good Health."

HIGH SCHOOL WRESTLERS OPEN SCVAL SLATE AT SANTA CRUZ TOMORROW

Four champion wrestlers form the nucleus for this year's Campbell High School Varsity wrestling squad which tomorrow afternoon opens its SCVAL season at Santa Cruz High School at 3:15 p. m.

Roy Higa, Ted Vossler, Dick Calloway and Russ Camilleri, who last year were judged tops in SCVAL wrestling league will be on hand as members of the Buc first string in the league opener tomorrow.

Higa last year, as a member of the CUHS squad won the 112 pound SCVAL championship; Vossler won top honors in the 103 pound class; Dick Calloway took top honors in the 165 pound class; and Russ Camilleri won the SCVAL championship in his class as well as the northern California Championship.

Like the Buc cagers, who open their league slate against Fremont in Sunnyvale tomorrow, Buc matmen have had a successful preleague wrestling schedule, in which they trimmed Gilroy, 38-8, Hollister 40-5, and Santa Cruz, 38-12.

Coach George Miskulin expects the Bucs to be in there pitching for SCVAL honors along with other CUHS athletic squads which are rapidly earning a reputation in the Santa Clara Valley.

Other varsity members who will take the 2 p. m. bus for Santa Cruz tomorrow afternoon include: Charley Villereal, 103; Dick Alfano, 127; Bob Balzer, 133; Carl Vossler, 138; Ken Wilson, 145; Roy Cureton, 154; and Ron Webb, heavyweight.

Meets to be held at the home gym this year, all at 3:30 p. m. are: Santa Clara, January 8; Sequoia, January 11; Fremont, January 1; Hayward, January 18; and San Lorenzo, January 20.

League games to be held at visitors gymnasiums include: Los Gatos, January 29; San Lorenzo, February 3; James Lick, February 5; SCVAL trials, February 8; SCVAL finals, February 10, and the end season event, the Northern California Finals, at Santa Cruz, February 13.

Gubser Plans To Seek Re-election

Congressman Charles S. Gubser today declared he would seek re-election on both major party tickets in the coming congressional elections.

Speaking on the eve of his departure for Washington to attend the second session of the 83rd Congress, Gubser said he would file for re-election as soon as the filing period for nominations opens.

"I am convinced", the Gilroy representative said, "that the ultimate success of the administration of President Eisenhower depends on the loyal support of legislators in both houses of Congress. I stand squarely behind the president's program, and will continue to work for it in the best interests of all the people in the 10th congressional district."

Christian Science Lesson-Sermon

The subject of the Lesson-Sermon that will be read in Christian Science Society, Campbell Country Women's Club House, Sunday, January 10, is "Sacrament". The sermon, which consists of readings from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will include this verse from Matthew: "And as they were eating, Jesus took bread, and blessed it, and brake it, and gave it to the disciples, and said, Take, eat; this is my body" (26:26).

The correlative passage from Science and Health reads, in part: "Their bread indeed came down fro mheaven. It was the great truth of spiritual being, healing the sick and casting out error" (p. 33).

RITES TODAY FOR A. P. WARD

Funeral will be held at 2 p. m. this afternoon for Alexander P. Ward, 74, Campbell resident for six years, who died Monday in his home at 241 S. Winchester road after a brief illness. He was a native of Georgia.

He is survived by his widow, Mrs. Sanna Ward,; a son, Dana S. Ward of Campbell; daughter Mrs. Fred Nicholson of Texas, and four grandchildren.

He was a member of Kalamazoo, Michigan Masonic Lodge, Saladin Temple of Grand Rapids, Mich., and the Campbell Congregational Church.

Following services at Darling-Fischer-Krug Chapel, interment will be in Oak Hill Memorial Park.

Lawrence Spalding Dies In Campbell

Farewell services were conducted yesterday by Darling-Fischer-and Krudg Memorial Chapel for James L. Spaulding, 77, retired rancher of 126 Dillon Ave., who died Monday in his home after a short illness. A native of Texas he had lived in the Campbell area 12 years.

He is survived by four sons, Lawrence Spalding of Madera, Melvin Spalding of Sunnyvale, Hubert Spalding of Oklahoma and Fred Gray of Texas, and two daughters, Ina Jones of Madera and Ona Mizar of Long Beaach.

Services were held in Calvary Temple Church, 139 Railway Avenue. Interment will be in Tuttle, Oklahoma.

IOOF Leader Dies

George C. Gardner, 69, an official of the Independent Order of Odd Fellows, died at Stanford Lane hospital in San Francisco Saturday after a month's illness. He was grand scribe of the state grand encampment. His home was at Napa and he had been a member of I. O. O. F. most of his life.

Services Held For W. Redfield

Funeral services for William Redfield, 65, were conducted Tuesday from Rutherford Funeral Home with Rev. Herbert Johnson, of Campbell Assembly of God Church officiating. He had lived in Los Gatos for the past year, but was a native of Wisconsin. His son-in-law, Harold A. Olson, is a painting contractor in Campbell.

Redfield is survived by his widow, Mrs. Myrtle Redfield, of Los Gatos. He was the father of Mrs. Fern Lovejoy, Osage, Iowa; Russell Redfield, Los Gatos; and Mrs. Jessie Olson, Campbell. He was the granfather of James Downing, Campbell, Mrs. Patricia Myles, Shreveport, La., William Downing and Karen, Kurt and Christopher Olson, all of Campbell, and six great-grandchildren.

FUNERAL HELD FOR FRED JAQUES

Services for Fred S. Jaques, 69, retired rest-home operator and rancher, who died Sunday after a short illness were held yesterday afternoon at 2 p. m. in Campbell Seventh Day Adventist Church under direction of Rutherford Funeral Home. Interment was in Madronia Cemetery.

Jaques donated the property on which Campbell Seventh Day Adventist Church school now stands. For a time he was public relations officer for the local church. He was a retired Saratoga area rancher and a past president of Saratoga Chamber of Commerce. He had lived in Campbell since 1950, but was a native of Flushing, Long Island, New York.

He leaves his widow, Pearl, and a brother and sister, Chauncey M. Jaques, and Mrs. Julie E. Bradley, both of Stinson Beach.

Henry Gray, a negro slave, secured 80 acres of land in pioneer days at the corner of Hamilton and Johnson avenues, where the residence of J. C. Ainsley now stands.

Mrs. Joseph Lowry Dies In San Jose

Mrs. Vinona E. Lowry, 40, wife of Joseph A. Lowry, San Jose real estate salesman, former publisher of the San Jose Beacon, and former part-time advertising representative of the Campbell Press, died Sunday in a San Jose hospital after a three day illness.

Mrs. Lowry, who had lived in the San Jose area for 22 years, was a native of Manteca.

She was a member of Edwin Markham High School PTA. She leaves two children, Joseph A. Lowry Jr., and Lynne V. Lowry, and three brothers, Alvin Miller of Camino, Edwin Miller of Lakeport and Stanley Miller of San Jose.

Services were held Tuesday in Darling Fischer Garden Chapel followed by interment in Oak Hill Memorial Park.

SAMUEL ORTON LAID TO REST

Rev. Ernest W. Tremayne, pastor of Cambrian Park Methodist Church, officiated at funeral services Tuesday for Samuel Loren Orton, 62, retired structural electrician, who died Friday at the 15390 Herring avenue home of his son, Richard E. Orton, in Cambrian Park.

The elder Orton came to this area six weeks ago to recuperate from an operation he underwent in Minneapolis, his former home.

Also surviving are his widow, Bess, and two other sons, Army Cap. John Orton of Arlington, Virginia and William Orton of Venice. He also leaves a brother, three sisters and eight grandchildren.

Services were conducted from Melvin Mortuary, Los Gatos. Inurnment followed at Oak Hill Cemetery.

Former president of the United States Theodore Roosevelt planted the redwood tree in front of the original Campbell High School when he visited the Santa Clara Valley in 1903.

New Telephone Books Are Being Delivered Today

Delivery of the brand new green covered telephone directory serving Campbell, San Martin and Saratoga, was underway today according to Pacific Telephone District Manager, W. E. Williams.

More than 2,000 directories will be hand delivered. About 5,000 will be delivered in the mail. Six tons of white paper and one ton of yellow paper, plus one ton of cover stock were used. The new book contains 74,740 listings. The alphabetical section contains 304 pages, the classified section 64.

For those subscribers, who will have their new telephone books hand delivered to them, Williams emphasized the importance of turning in their old books at that time. The reason being, that many of the telephone numbers are going to be changed and this change will be reflected in the new book.

Williams made a three fold suggestion to aid the transition of the new book.

1. Tear out any notes or personal telephone numbers in the present book when the new book arrives.
2. Remove any valuable papers you may have filed in the old book.
3. Be sure to use the new book, as some numbers have been changed and many new numbers have been added.

Kilkare Klub To Meet At Methodist Parish House Tomorrow Night

Goodwill Industries Is Presented Flag For Handicapped Employes

In a brief but impressive chapel service at Goodwill Industries of Santa Clara County Mr. William H. Young, Senior Vice Commander of Unknown Soldier Chapter 42 Military Order Purple Heart today presented to Goodwill Industries a beautiful parade size American flag and a certificate award of merit in recognition for rehabilitation of the handicapped and disables persons, and for outstanding service to the community.

The flag and the certificate of merit were accepted by Mrs. Mary McKay, Chairman of the Employees Committee in behalf of the more than 100 handicapped employees of Goodwill Industries.

Capital Funds Gain At San Jose Bank

The First National Bank of San Jose shows in its Statement of Condition, dated December 31, 1953, a growth of $2,881,00 as compared with December 31, 1952. Total resources of the bank are now $58,998,000, which are the highest figures ever published. During the past four years resources increased 47.5 per cent. Deposits were up $2,290,000 as compared with the previous year and capital funds increased $377,000. Loans and Discounts increased $3,156,000 during the year.

In discussing this progress, Joseph Rogers, President, pointed out that during the year the bank had increased its capital stock by $250,000 bringing the present capital stock to $1,250,000. The bank also increased its surplus by $250,000, bringing this total up to $1,500,000, or twice what is was in 1947. Mr. Rogers stated that during the year the bank enjoyed a ssubstantial growth in all departments and established a Retail Credit Department, which has made available to merchants and shoppers in Santa Clara Valley the First National Charge Plan. This operation started on June 1st and already has more than 200 member firms, with over 40,000 cardoplates issued. This provides shoppers with a single bill for all purchases made at the various member stores and the First National was one of the first banks to establish this service in the West.

James B. Clayton, Jr. was elected a Director to succeed the late George H. Osen.

Manslaughter Is Charged Against Robert Carpenter

John Robert Carpenter, 53, of 132 Rincon avenue, was charged with manslaughter in Judge Percy O'Connor's Municipal court, Monday. The case, referred to the probation department will be reviewed January 11, and sentence imposed at that time, according to the Campbell Police Department.

Carpenter was the driver of a car which last December 17, crashed into a San Jose bound train in Campbell, killing Ricky Bane, two month old son of Mrs. Bernice Bane of 142 Railroad avenue.

The car, driven by Carpenter, was owned by W. A. Hass, of 36 Gillman avenue.

Others injured in the accident were the dead child's mother, Bernice his twin sister, Vickey; Shirley Bane, 19, and Mrs. Jean Maxwell, all of 142 Railroad avenue.

Carpenter, driver of the car, sustained cuts and bruises.

SHREVE SERVICES

Services for Charles L. Shreve, 77, a Campbell resident at 1041 Munro avenue for the past six years, will be held today at the Place Funeral Home in Los Gatos.

Following the 2 p. m. services, interment will take place in Los Gatos Cemetery.

He was a member of the Los Gatos chapter of Modern Woodmen of America.

He is surdvived by his wife, Maartha, and two children, Mrs. Dorothy E. Harp of Campbell and Charles Shreve of San Jose.

Now Is The Time For Car Owners To Renew Plates

Now is the time for passenger car owners to renew auto registrations and receive 1954 license tabs.

Car owners have until midnight, February 4, to apply for registrations, after which they must pay penalties for delinquent payment of fees.

The San Jose Department of Motor Vehicles at 85 Notre Dame Street will handle all types of registration transactions from 8 a. m. to 5 p. m. week days and from 8 a. m. to noon on Saturdays.

The American Trust Co., in Santa Clara is the only bank in the San Jose areaa accepting renewals. Applications will be handled for trucks, trailers and autos, providing they are made with potential registration cards (mailed from Sacramento) during banking hours.

The bank is authorized to accept fees only when presented with the "white slips" but the DMV office will handle all types of registration applications. Fastest renewal service may be had by applying in person, according to Paul Mason, director of motor vehicles.

New laws call for issuance of one '54 tab, to be attached to the rear license plate. The front license plate must be kept in place.

Leland Grattan and four year old daughter Julie from Grinnell, Iowa, were welcome holiday visitors to the home of Lavinia Grattan at 64 North Central avenue and the Roy Archibald family of Briarwood Way, Campbell.

Country Women Hear B. Allen At Meeting Here

Bruce Allen, assemblyman from the 29th District was guest speaker when the Countrywomen's Club convened at the Library building, Monday, January 4 for their first meeting of the year.

Allen spoke mainly on water conservation, with specific reference to water problems in the Santa Clara Valley. At the present time, Allen said, projects are being studied in Sacramento, to harness the Sacramento River which would mean greater amounts of water would be made available to the Santa Clara Valley.

Also on the program, Monday, was DeWayne States, who played two musical selections, accompanied by Arthur Sutton, pianist.

Mrs. Lloyd Brown presided over a short business meeting, in the absence of Mrs. Walter Elkey, president, who was ill.

Mrs. Jean A. McAsee was voted into the club as a new member.

Mrs. Nellie Rutherford was chairman of the day, assisted by Mesdames J. B. Collins, R. B. Bishop, Ray Prince, A. D. Rice, Louella Ryan, aand Ida Price.

Mrs. F. Albert Ellis announced that a luncheon will be served at 12:30 p. m. at the next meeting to be held January 18. This luncheon will be given by club members for the purpose of purchasing new draperies for the clubhouse.

John Duncan, principal of Moorpark school, recently moved his family into a new three bedroom house at 61 South Union Avenue, Campbell. Their former address was 22 North Third street. With his wife, Frances, and sons, John and Bill, the Duncans did the painting and the electrical wiring on their new home.

Kiwanis Troop Spends Busy Outdoor Month

Kiwanis Boy Scout Troop 28 has had a busy month, according to Ken Robison, Explorer Advisor.

Tracking, compass reading, cooking, and firebuilding were practiced on an all day hike from Loma Prieta to Soda Springs road in a recent activity. During the Christmas season, the scouts distributed Christmas baskets to two needy families. Scouts had brought canned food from home for several weeks as part of their Christmas program.

Seven members of the Explorer Crew, under scoutmaster Robert Guio and advisor Robison, spent three days in the Sierras following the Christmas holidays. Snowshoeing, tobogganing and other snow sports were enjoyed. They also visited a sawmill and a logging operation as part of their work on a Forestry Merit Badge. Those participating were Gary Almada, Gene Andres, Don Brown, John Duncan, Jerry Henley, Art Hill and Tim Sullivan. They were accompanied by William C. Henley and Ken Robison.

The explorer crew took part in the annual New Year's Day pilgrimage to Loma Prieta, a traditional ceremony in this area for Eagle Scouts and Explorers for the past 25 years according to scout officials.

Daniel Gardner, son of Mr. and Mrs. David Gardner of 1020 Munro St., and classmate, Robert Whitaker, son of Mr. and Mrs. G. W. Whitaker of 1040 Allendale have left their studies at Campbell High for enlistments in the United States Marine Corps.

The boys are enroute to Pendleton, California Marine Base to begin their basic training.
